COMMITTEE ASSIST:

?

To All Members,

Alice Springs Motorcycle Club is run by VOLUNTEERS, All committee people donate their time and efforts to make our club a great place for all. A race meeting can take up to 50 volunteers on the day just to run to M.A standards, all parents and competitors are urged to contribute as much as possible.

Flag Marshalls are out there for the safety of our children and fellow competitors, we are all asked to contribute our fair share to ensure smooth and safe racing.

There is also a lot of work on and off the track just to get to race day so please help as much as possible and be part of making a great season.

Events such as Enduros and the 12 hr happen because landholders and other clubs allow us on their land; participants are responsible for themselves and crew's behaviour.

Thank you to all other helpers, Stations, Clubs and Businesses that get involved during the year to help make this all possible.
